

OUR PET **WELLNESS PLANS**

Our pet wellness plans are yearly packaged veterinarian recommended services that include preventative care such as exams, vaccines, bloodwork, parasitic testing, radiographs, dentals, and spay/neuter surgery, for a low monthly membership. It helps you provide the best preventative care for your pet while making it easier for you by spreading out the cost.

www.vancrestanimalhospital.com

Your Wellness Plan provides discounts only on the items outlined in the brochure. It does not include any services provided by other providers or any fees for medical care or services recommended as a result of illness, injury, or transfer to a specialty or overnight hospital facility. Your Wellness Plan Membership provides discounts only for the pet named. It may not be used for any other pet. Wellness Plan membership is not pet insurance.
